

How To Enroll an iOS device in Zenworks

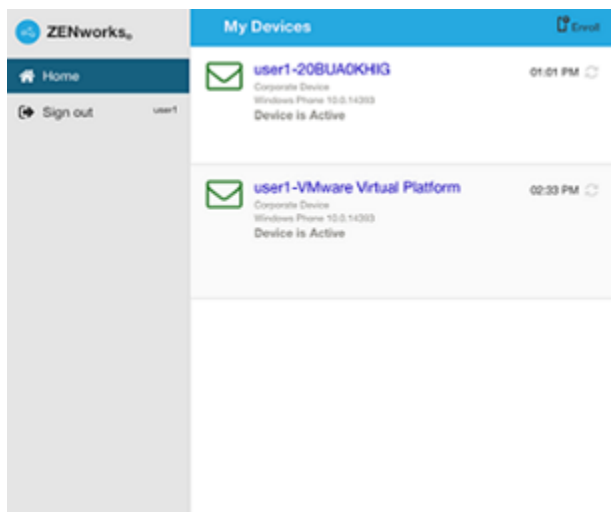

In the Safari browser on the iOS device, enter *cvmzen.cvm.tamu.edu/zenworks-eup*

The login screen for the ZENworks User Portal is displayed. You use the ZENworks User Portal to enroll the devices.

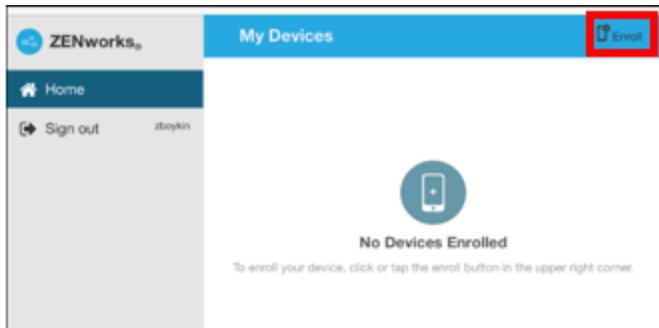

Enter your NetID user name and password.

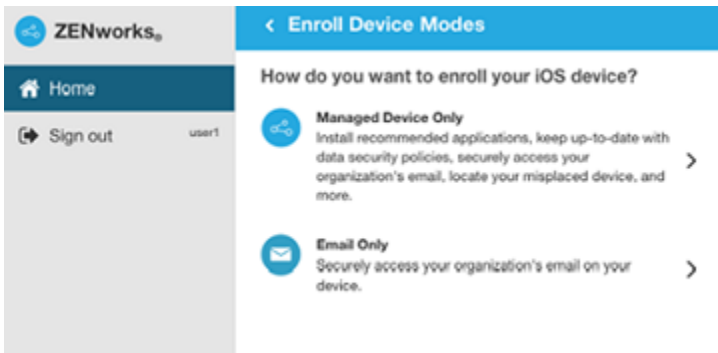

All iOS devices already associated with the user, are displayed in the ZENworks User Portal as seen below.

Tap **Enroll** in the upper-right corner to display the enrollment options for the device.

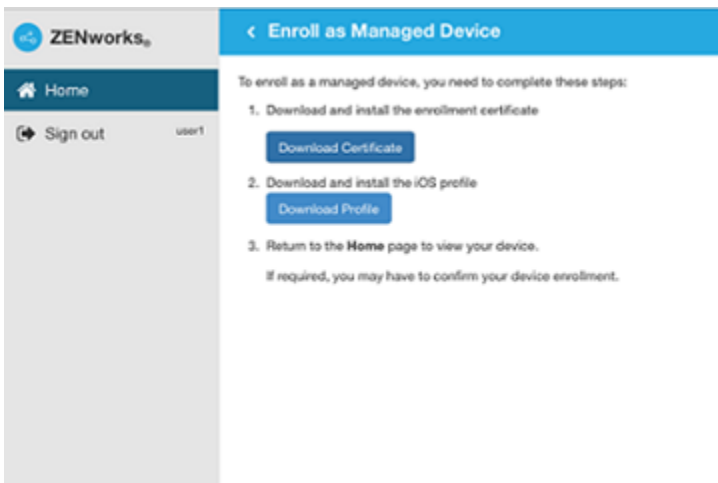

You should see a screen that looks like the following:

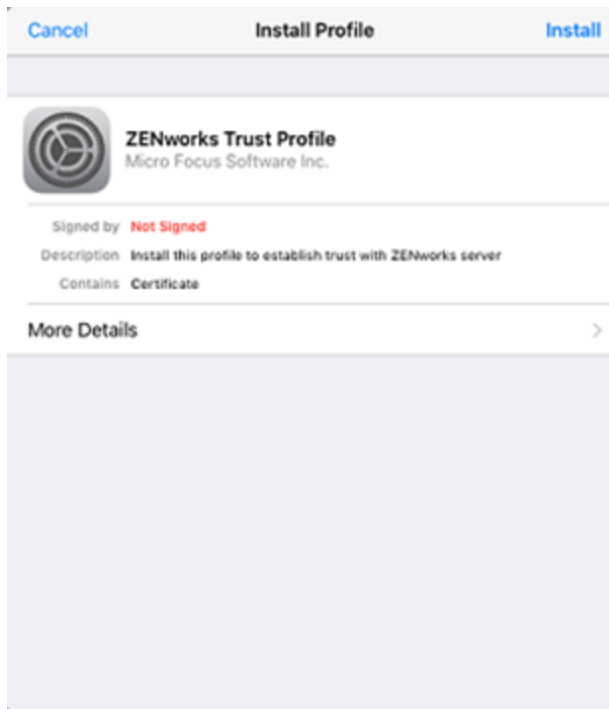

Tap **Managed Device Only** to display the **Enroll Device Options** screen.

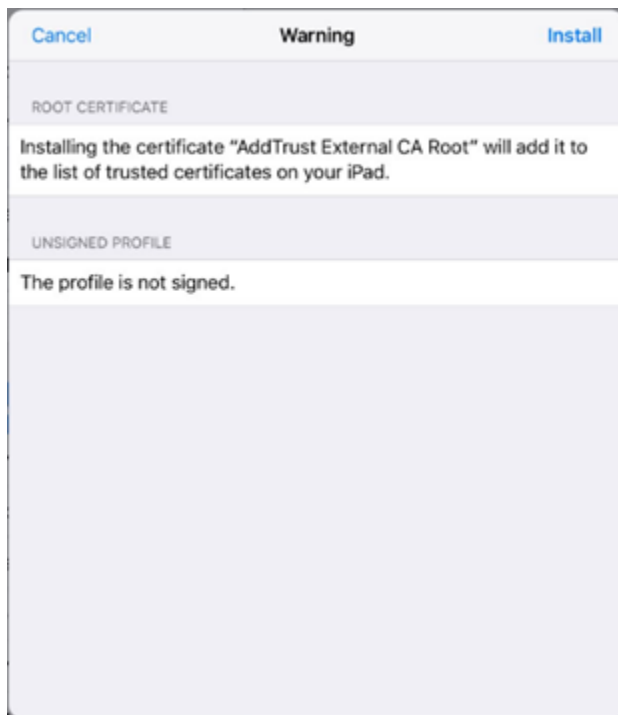

Tap **Download Certificate** to display the **Install Profile** screen.

Tap **Install** and follow the prompts to install the certificate and return to the Enroll as Managed Device screen.

When the warning pops up, click on install

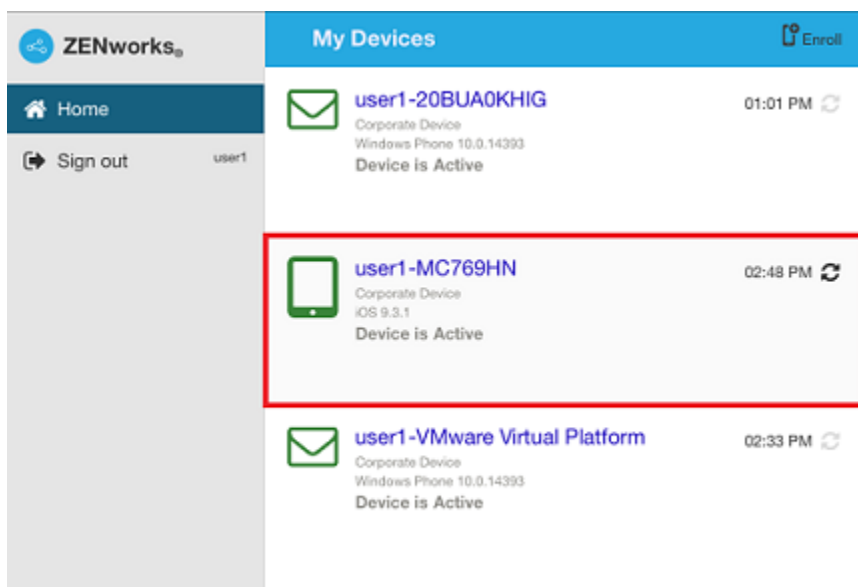

Tap **Download Profile** in the Enroll as Managed Device screen, to display the profile install screen. Tap **Install** and follow the prompts to install the profile and return to the Enroll as Managed Device screen.

Tap **Home** to return to the Home page. The device is displayed in the My Devices list with the status as **Enrollment in Progress**. You need to refresh the browser to update the status to **Device is Active**.

NOTE: If the device remains in **Enrollment in Progress** state for a considerable amount of time, then in the ZENworks User Portal, tap the refresh icon appearing against the device.

If you have difficulties with this procedure, contact the CVM Helpdesk at 862-4554 or email helpdesk@cvm.tau.edu for assistance.
